

## Current Opportunities Brochure – Autumn 2 2016

[www.ntlearningtrust.org.uk](http://www.ntlearningtrust.org.uk)

Welcome to our latest edition of North Tyneside Learning Trust 'Current Opportunities' brochure. This termly update will give you and your school a snapshot of the fantastic activities and courses available through the Trust in the coming months.

We will provide a Trust Newsletter at the beginning of each of the autumn (September), spring (January) and summer (April) terms and this together with our half termly current opportunities brochure will keep you up to date with Trust News and opportunities. We will regularly update you via email as new and exciting opportunities arise.

Our website is also a valuable source of information, news and opportunities from across the Trust. For the latest information on Trust events and offers, our regional partnerships and supported programmes please visit our News and Events pages via [www.ntlearningtrust.org.uk](http://www.ntlearningtrust.org.uk). Also available on the website are our termly newsletters, bringing you up to date with the Trust's activities and introducing external opportunities your schools can get involved in.

### School to School Support Programme

North Tyneside Learning Trust is keen to offer opportunities for schools to share some of the excellent practice operating within Trust schools. The Trust is encouraging its schools to host Open Events to share and showcase excellent practice.

A grant of **£500 (full day)** or **£250 (half day)** is available to Schools offering to host an open day to cover the costs of planning, delivery, administration, and refreshments.

The calendar of events and booking links can be found on [www.ntlearningtrust.org.uk](http://www.ntlearningtrust.org.uk) with new additions added regularly

If your school has the expertise and capacity to host an Open Event please contact [samantha.gallilee@ntlearningtrust.org.uk](mailto:samantha.gallilee@ntlearningtrust.org.uk)

#### November 2016

Developing Number Sense KS1	Fordley Primary School	03.11.16
Using iPads to deliver Computing	Richardson Dees Primary School	08.11.16
Using iBooks to Support Learning	Monkhouse Primary School	10.11.16
Effective Governance	Grasmere Academy	11.11.16
Objective Led Planning	Sir James Knott Nursery	15.11.16
The Future of Education	Hazelwood Community Primary School	16.11.16
Managing 'the Anger Mountain'	Silverdale School	16.11.16
Improving Outcomes for Disadvantaged Children	Benton Dene Primary School	17.11.16
Developing Core Subject Leads	EOS @ Stephenson Memorial	21.11.16
Developing Effective Learning	Westmoor Primary School	22.11.16
Environments in Foundation stage		
Developing Foundation Subject Leads	EOS @ Stephenson Memorial	22.11.16
LGBTQ in Schools	Benton Dene Primary School	23.11.16
Developing the Reading Environment	Benton Dene Primary School	24.11.16

### WOW (World Of Work Project)

The Trust's WOW project is working with local business and schools to develop and support careers awareness and interventions for children and young people that links learning within the context of work. Initiatives including careers workshops, talks with the professional, career speed dating, in school workshops and out of school visits are on offer to all Trust Schools and the WOW project will come along and support any careers interventions bespoke to individual schools.

WOW Projects leads are

Julie Scott – [Julie.scott@ntlearningtrust.org.uk](mailto:Julie.scott@ntlearningtrust.org.uk)

Angela Patterson – [angie.patterson@ntlearningtrust.org.uk](mailto:angie.patterson@ntlearningtrust.org.uk)

Contact them to arrange a school visit on the above emails or telephone 0191 2380418 for more information.

---

### 7Billion Ideas

#### Do your children have ideas that could change the world?

The Trust are working with 7Billion Ideas to deliver a **FREE** entrepreneurial competition in Key Stage 2 that will encourage children to explore real world issues and come up with new ideas and solutions.

The Tyne Together 2017 will provide support from 7BillionIdeas including

- Roadshow and presentation to children
- Themed weeks of idea generation and development
- Group presentation of ideas
- Inter-School Competition with final and winners

Have a look at this short presentation to find out more about [#TT2017](#)

**Project launch week is week commencing 9<sup>th</sup> January 2017**

**Any school involve who wants some additional support please contact**

### Inspiring IAG Quality Award

**Inspiring IAG Award** – this award can help your school to deliver and gain recognition for good quality careers, information, advice and guidance. Following a Pilot programme that started in September 2014 two of our Trust schools (Churchill Community College and Seaton Burn College) have completed Stage 2 of the Award. We are now encouraging more secondary schools from North Tyneside to become ‘Careers Champions’ and are inviting expressions of interest from any school who may wish to consider taking part.

The offer to schools is:

- Completion of a unique Level 6 qualification covering three key areas of Careers Delivery and Design.
- A dedicated Mentor linked to the school to support the member of staff from the school whilst completing the Inspiring Careers IAG Quality Award to stages 1, 2 and 3.
- Access to a comprehensive website with on-line resources to support the school as it works towards becoming a ‘careers champion’.
- The first two years of the licence costs to use the Inspiring Careers branding.

The cost of the Award is approximately:

- Level 6 Award: £650
- Inspiring Careers IAG Quality Award: Stage 1 (£175); Stage 2 (£235); Stage 3 (£905)

**A Trust bursary is available to cover the cost of entry and the school will need to cover a staff member’s time to attend a minimum of 5 days of learning across a school year, to be delivered by the Connexions Hub Training services from their central Gateshead office.**

For more information or to express an interest please contact Sam Gallilee on

[samantha.gallilee@ntlearningtrust.org.uk](mailto:samantha.gallilee@ntlearningtrust.org.uk).

or John Gibson on [John.Gibson@northtyneside.gov.uk](mailto:John.Gibson@northtyneside.gov.uk)

### Apprenticeship Bursary

North Tyneside Learning Trust has supported employers in North Tyneside, including many Trust Schools, to create over **100** new apprenticeships for young people. The Trust covers approximately half the salary costs by providing a bursary of £3,550. Our apprentices have brought considerable value to their place of work and have worked in a broad range of occupational areas, including engineering, mechanics, business administration and ICT. All of our apprentices are aged 16-18 and have attended a Trust School. Many have already completed their apprenticeship and have remained in employment which is a fantastic achievement. The Trust has agreed funding for a further 20 apprenticeships this year, with schools prioritised as employers in the first instance.

For more information about this please contact Craig Reid on 0191 643 6407 or [craig.reid@northtyneside.gov.uk](mailto:craig.reid@northtyneside.gov.uk)

---

### Transport for Schools

In order to support schools participating in NTLT or STEM programmes, the Trust has established a modest transport budget for NTLT Partner Schools. Match funding will be awarded for STEM or NTLT related activities on a needs basis in order to enable wider participation.

If your school needs assistance in paying for transport please follow the link below and fill out the form. Applications will be assessed on a needs basis and you will be informed within 10 working days if your application has been successful. Please see the terms, conditions and eligibility criteria

Schools Transport <http://ntlearningtrust.org.uk/schools-transport/>

---

### Arkwright Scholarships

As part of the Step into STEM project the Trust are looking to provide information about the timetable for young people to apply for an Arkwright Engineering Scholarship. Details of the student application process and how to register your school for free can be found on [www.arkwright.org.uk](http://www.arkwright.org.uk)

### **The Great North Maths Hub**

For updates and to book onto any of the following activities please visit [ntlearningtrust.org.uk/events](http://ntlearningtrust.org.uk/events)

Wendy Mitcheson and Lindsey Hassan are available to work within schools delivering support for class projects, training for teachers and offer support with developing creative maths within the school curriculum. Please contact either Wendy or Lindsey on the emails below

[wendy.mitcheson@ntlearningtrust.org.uk](mailto:wendy.mitcheson@ntlearningtrust.org.uk)

[Lindsey.hassan@ntlearningtrust.org.uk](mailto:Lindsey.hassan@ntlearningtrust.org.uk)

To keep up to date with new courses and exciting developments please visit

[www.mathshubs.org.uk/greatnorth](http://www.mathshubs.org.uk/greatnorth)

### **Maths Hub Network Meeting**

This meeting is an opportunity for all teachers within schools in the Northumberland, Tyne, Wear and Country Durham areas to learn about the Great North Maths Hub, and to guide our work in the region.

Next meeting will be held on 17<sup>th</sup> January 2017 from 3.45pm-5.30pm at the Langdale Centre, Langdale Gardens, Wallsend NE28 0HG

---

### **Mathematical Reasoning across Key Stage 2**

This is a fully funded training opportunity for Teachers presently working at Key Stage 2 within primary schools in Northumberland, Tyne, Wear and County Durham.

The programme aims to deepen participants understanding of algebraic reasoning and its development across Key Stage 2, and appreciate how this builds on understanding from Key Stage 1, and supports transition to move to formal algebra in Key Stage 3. Key aspects for exploration in classrooms will be explored e.g. pattern and sequences, equivalence, mathematical reasoning and concrete or pictorial representations.

To maximise the impact of the training, we would like schools to send two delegates to the programme, one from Upper Key Stage 2 and one from Lower Key Stage 2, however this is not essential. You will be asked to complete a pre and post programme evaluation as well as a gap task between sessions.

The programme will be delivered by Pauline Braviner, Mathematics Consultant, and NCETM accredited professional development lead. The programme will be delivered over 3 sessions in two locations:

Northumberland - 6 March, 25 April and 23 May 2017. All dates 9am – 12 Noon

South Tyneside - 30 January; 8 March and 26 April 2017. All dates 1pm – 4pm

## Teacher CPD

---

### Developing Mixed Ability Forum

This fully funded forum is for schools that are interested in developing mixed ability teaching within their schools and is open to teachers across all phases working within schools in Northumberland, Tyne, Wear and County Durham.

The sessions will explore effective methods and develop and share best practice in mixed ability mathematics teaching. A gap task will be carried out by participants to develop experience of running a mixed ability classroom through observation and practice.

The group will create and source resources for the mixed ability classroom to enable students to have the best possible experience and outcomes.

The meetings will be on 7 Feb, 5 April and 19 June, 9am – 12 Noon in North Tyneside.

---

### Developing Leadership of Secondary Mathematics

This is a fully funded training opportunity for Key Stage 3, 4 or 5 Teachers that are either working in a leadership role and looking to enhance their knowledge and skills, or for those looking to develop into a leadership role.

The programme will run across three sessions, aimed to develop the individual as a confident subject and team leader, focusing on:

- Mathematical pedagogy
- New developments in maths
- Setting a vision for a department
- Running, monitoring and evaluating an effective department
- Managing change and addressing challenges

The programme will be delivered by Karen Knox, School Improvement Advisor for Secondary Mathematics, and NCETM accredited professional development lead. The programme dates are 19th January, 2nd March and 12th May 2017, and will all take place 9am - 12 Noon in North Tyneside.

For more information about the Great North Maths Hub training or to book a place on any of the Maths Hub event please email

[laura.greener@ntlp.org.uk](mailto:laura.greener@ntlp.org.uk)

## **Science Learning Partnership**

To book onto any of the following courses please visit:

[www.ntlearningtrust.org.uk/events](http://www.ntlearningtrust.org.uk/events)

---

## **Key Stage 2 & 3 Science Transition Meeting**

This session is aimed at increasing consistency across the two key stages in order to further raise standards and promote continuity for pupils. It will include a good practice showcase of key stage 2 and 3 work, assessment and strategies, along with facilitated discussion opportunities.

Venue : The Langdale Centre

Date: 17<sup>th</sup> November 2016

Time: 2.00pm-5.00pm

Cost: Free for North Tyneside Schools

To book a place on this course click [HERE](#) or visit [www.ntcpd.org.uk](http://www.ntcpd.org.uk)

---

## **Numeracy for Key Stage 3 Science**

There is an increased mathematical demand in science and a greater understanding is necessary to accelerate learning and raise attainment. A weakness in understanding mathematics can lead to difficulty in understanding science. This course explores the typical weaknesses in mathematics that hinder students' ability to understand and solve scientific problems. It will give teachers an increased confidence in teaching the mathematical aspects of science and the skills and strategies to meet these requirements.

Venue: Marden Bridge Middle School, North Tyneside

Date: Thursday 17th November 2016

Time: 9.00am-4.00pm

Cost : £90.00 per delegate

To book a place on this course click [HERE](#) or visit [www.stem.org.uk](http://www.stem.org.uk)

## Teacher CPD

---

### Getting to Grips with A Level Physics

This course is ideal for teachers who are new to the subject and aims to build subject knowledge, confidence and skills through the exploration of demonstrations and practicals so you can link basic concepts to more complex ideas. You will explore a range of engaging and effective strategies that will support you in designing, delivering and evaluating engaging and effective post-16 learning.

Venue: George Stephenson High School, North Tyneside  
Date: Friday 25th November 2016 & Friday 3rd February 2017  
Time: 9.00am-4.00pm  
Cost : £180.00 per delegate

Booking for this course will be available soon

---

### RSC GCSE Chemistry

This one day course will focus on independent guidance covering the requirements of all major exam board specifications. It will show how a range of specific activities can be used to support the teaching and learning of difficult concepts such as the mole, electrolysis and equilibrium. You will look at ways to develop your student's practical and mathematical skill within the chemistry context.

Venue: Whitley Bay High School, North Tyneside  
Date: Tuesday 6th December 2016  
Time: 9.00am-4.00pm  
Cost : £90.00 per delegate

To book a place on this course click [HERE](#) or visit [www.stem.org.uk](http://www.stem.org.uk)

## Teacher CPD

---

### Preparing Students for Linear Exams

The move away from modular examinations and controlled assessment requires teachers to develop effective strategies that promote a holistic view of the subject. This continuing professional development will help you to move away from last minute revision strategies to supporting your students across the GCSE or A level course. You will identify current strengths and opportunities for change, both at long and short term level. You will also consider the implications of current research into what helps students be more successful. Ways of strengthening retention of subject knowledge and examination technique will be explored, and the support from awarding bodies will be looked at for maximum impact.

Venue: St Thomas More Roman Catholic Academy, North Shields

Date: Tuesday 17th January 2017

Time: 9.00am-4.00pm

Cost : £90.00 per delegate

To book a place on this course click [HERE](#) or visit [www.stem.org.uk](http://www.stem.org.uk)

**To find out more about Science CPD courses please contact**

### **Outstanding Teacher Programme Level 1**

This programme is aimed at teachers who want to advance, develop and improve their teaching practice in order to deliver consistently good lessons

Delivered in 6 modules over 5 weeks

Venue: Whitley Bay High School

Date: Starts 30th January 2017

Cost: £525.00 per delegate

**Trust Partner Schools - 2 for 1 Offer**

### **Outstanding Teacher Programme Level 2**

This programme is designed to develop effective middle leaders responsible for raising achievement, be consistently outstanding in all aspects of teaching and learning and have the potential to positively impact on the development of others.

Venue: Whitley Bay High School

Date: Starts 5th December 2016

Cost: £625.00 per delegate

**Trust Partner Schools - 2 for 1 Offer**

### **Outstanding Teaching Assistants Programme**

This programme is aimed to inspire and invigorate learning support staff by focussing in on the strategies which yield greatest impact on student performance and wellbeing.

Delivered over 6 sessions

Venue: Whitley Bay High School

Date: Starts 5th December 2016

Cost: £625.00 per delegate

**Trust Partner Schools - 2 for 1 Offer or 50% discount on 1 place**

For more information and booking please contact [sharon.armstrong@whitleybayhighschool.org](mailto:sharon.armstrong@whitleybayhighschool.org)

### **Train to be your school 'Resident Ofsted Inspector'**

The course is designed to equip participants with the same skills used by newly trained Ofsted Inspectors. Each area is covered in an imaginative and realistic setting. Using examples from actual inspections, the whole inspection process is covered to ensure all delegates get a full in-depth understanding of the entire inspection process.

Venue: Whitley Bay High School

Date: Thursday 24th & Friday 25th November 2016

Cost: £450.00 +VAT per delegate

**Trust Partner Schools - 50% discount with a Trust bursary**  
**PLACES ARE LIMITED TO 1 PER SCHOOL**

For more information and booking please contact [sharon.armstrong@whitleybayhighschool.org](mailto:sharon.armstrong@whitleybayhighschool.org)

---

### **Every Lesson Outstanding**

Suitable for both Primary and Secondary teachers looking to develop their practice further, this popular course will develop knowledge, understanding and confidence to deliver high quality lessons across the curriculum

Delivered across a number of morning sessions throughout

October/November/December 2016

Venue: George Stephenson High School

Cost: £450.00 per delegate

**Trust Partner Schools - 2 for 1 Offer**

For more information and booking please contact: [teachingschoolalliance@gshs.org.uk](mailto:teachingschoolalliance@gshs.org.uk) or visit <http://www.gshs.org.uk/teaching-school/cpd-and-leadership-development>

## Discounts, offers and information

---

### **Speech and Language Support for 5-11's (Including the Foundation Stage)**

An opportunity to gain the nationally recognised Elklan accredited award (Level 2 or 3) in supporting and developing children's language and communication skills. This training is specifically targeted to meet the needs of first and primary aged pupils.

It will be delivered by Sue Wilson & Hilary Beavers, specialist teachers with the Language and Communication Team. The course will cover all aspects of speech and language including strategies to support vocabulary, memory, listening and attention, verbal reasoning, social skills and using and understanding language.

It aims to provide practical advice and strategies to be used in the classroom.

The course will be delivered over 4 full days (9.00-4.00pm) at the Riverside Centre, North Shields:

- Friday 13th January 2017
- Friday 10th February 2017
- Friday 3rd March 2017
- Friday 24th March 2017 (\* There will also be a twilight session at Benton Dene School on Monday 3rd April 2017, 4-6pm)

Learners will be required to complete assignments throughout the course to gain the accreditation. We are able to offer this course for £185, instead of £375, as it is greatly subsidised by the Language and Communication Team. This covers the accreditation fee, a copy of Elklan Language Builders and all refreshments (lunch is included).

**Places are limited to one per school**

Booking forms and information available from [sue.wilson@northtyneside.gov.uk](mailto:sue.wilson@northtyneside.gov.uk)

**Trust Partner Schools - £100.00 bursary per delegate**

## Discounts, offers and information

---

### **Train to be a Pupil Premium Reviewer for your own school or to review other schools.**

Churchill Community College Teaching School has been commissioned by the National College for Teaching and Leadership to train school leaders in the North East to undertake pupil premium reviews

The course is intended for school leaders who want to review PP spending on their own school and those who would like to be commissioned to undertake PP reviews for other schools.

**Thursday 17th November 2017** - Centre for Excellence in Teaching and Learning, Hartlepool  
Course timings are 9.30am - 4.00pm and the cost is £80.00 per person

More information and a booking form is available from Laura Greener on [laura.greener@ntlp.org.uk](mailto:laura.greener@ntlp.org.uk)

---

### **Supporting Emotions in Pre-Adolescents**

This half day session, facilitated by Gill Wilson, an experienced Early Years Practitioner and is aimed at school staff who work with children in year 4 to year 8. During the session you will explore how you can support children in their emotional health during difficult changes in their lives, for example a change of classroom, school or friendship group or a change in family circumstances. It will include information on how children's brains get wired to deal with emotions, tuning into children's emotional states and how to help children build resilience.

To book or for more information please contact [laura.greener@ntlp.org.uk](mailto:laura.greener@ntlp.org.uk)

Date: Wednesday 16th November 2016

Time: 9am – 12 Noon

Venue: Churchill Community College

Aimed at: School staff working with children in Years 4 – 8.

Cost: £40 per person

## Discounts, offers and information

---

### **Modern Foreign Languages Conference**

A varied day of workshops for teachers of MFL

Venue: George Stephenson High School

Date: 23rd November 2016

Time: 9.00am-4.00pm

Cost: **£60.00 per delegate**

### **Humanities Networks**

An opportunity for teachers of History and Geography to share ideas and resources with colleagues from other schools

Venue: George Stephenson High School

Date: 5th December 2016 then termly dates TBC

Time: 3.45pm-5.00pm

Cost: **FREE**
