WELCOME

North Tyneside Learning Trust Star Awards 2021

North Tyneside Learning Trust is a collaborative partnership of schools working with employers, universities and colleges to improve the education and life chances for all children and young people.

North Tyneside Learning Trust Star Awards provide an annual opportunity for us to honour and celebrate the exceptional achievements of children and young people in our schools.

Welcome

The ongoing global pandemic meant that the 8th annual NTLT Star Awards had to be delivered a little bit differently this year. On Thursday 1st July 2021, our finalists, their families and friends, teachers and Headteachers, NTLT Directors and sponsors joined us via Zoom from their living rooms, kitchens and offices to celebrate this unique and special event. 40 remarkable children and young people were selected as finalists from over 260 nominations received this year. 35 Trust Partner Schools were represented this year, demonstrating the continued popularity and value of these awards, in what has been a very challenging year.

This Star Awards Souvenir Brochure has been produced to help capture many of the wonderful memories from this year's awards as a lasting reminder of the occasion. I do hope you enjoy sharing in these special moments.

In this, the eighth year of the awards, I remain grateful for the generous and continued support of our business sponsors who make the NTLT Star Awards possible. A huge thank you to Vision for Education, our main sponsor for an eighth consecutive year, and to all of our award category sponsors AIS SURVIVEX, Capita, Engie, Karbon Homes, Muckle LLP, NCFE, Northumbria Healthcare NHS Foundation Trust, North Tyneside Business Forum and Vision for Education, without your support, the Star Awards simply could not happen, your generosity is very much appreciated.

Congratulations again to all of our 2021 Star Award winners and finalists, you truly are an inspiration to us all.

Karbon provide homes and services which form the foundation for people and places to fulfil their potential. They believe that having a strong foundation enables people to develop the life they want. As a housing association, they own or manage approaching 30,000 properties across the North East of England and Yorkshire and develop more homes every year. They provide social rented, affordable, specialised, shared ownership and market rented homes, and also develop shared ownership and market sale homes to meet customers' aspirations. As a profit-for-purpose business they invest any surplus generated into improving their properties and communities, building new homes and delivering services which provide sustainable outcomes for customers and communities.
