

# SOUVENIR BROCHURE

THURSDAY 14<sup>TH</sup> JULY 2022

*Celebrating the outstanding achievements of  
children and young people in North Tyneside*

# WELCOME

It was truly wonderful to be able to hold the 9th Annual NTLT Star Awards ceremony live at St James Park Newcastle on Thursday 14th July 2022 after a two year break in face to face events due to the Covid 19 pandemic. The buzz and excitement among the finalists and guests at this years event really illustrated how much we have all missed being together.

I'm delighted to be able to share the official photographs captured at the event through this Souvenir Brochure and I hope it acts as a lasting reminder of some the wonderful memories made during the evening. I was thrilled that the new High Sheriff of Tyne and Wear, Mr

David Bavaird was able to attend the awards this year as part of his incredibly busy programme of events. The presence of the High Sheriff certainly added to the prestige of this years event and the photographs of children with ceremonial swords made from balloons did make me smile.

I am incredibly grateful for the generous and continued support of our loyal business supporters who make the Annual NTLT Star Awards possible year on year. A huge thank you to Vision for Education our main sponsor for the ninth consecutive year, and to all of our award category sponsors BT & EE, Capita, Commando Joe's, Equans, Karbon Homes, Muckle LLP, North Tyneside Business Forum, Northumbria Healthcare NHS Foundation Trust and Shepherd Offshore, your valuable support is very much appreciated.

Congratulations again to all of our 2022 Star Award winners and finalists who very much deserve their place in our Star Awards Hall of Fame. You should all be very proud of your achievements, it was a very great honour and privilege for me to meet you all. Please continue to be brilliant!

**Star Awards**

Thanks for giving me the honour of opening the North Tyneside Learning Trust Star Awards an event which I found to be informative, enjoyable, and uplifting.

The awards are a recognition of the fantastic work which is completed by young people in our community and is further evidence of the support they receive from teachers, parents/carers and the North Tyneside Learning Trust and I am sure that all who attended enjoyed the event especially the young people themselves. I have been lucky enough to experience the work of NTLT in a number of areas and you provide a range of services which help pupils, help teachers and which provide the essential links with the world of work.

I know that these events do not happen without a lot of demanding work, determination, and imagination from staff, and I would be grateful if you would pass on these thanks where appropriate.

Please keep up the excellent work and do not hesitate to contact me if there is anything I can do to help during my year in office.

I trust that the above is in order any questions please call.

Yours sincerely
