

# Victoria Houston

Victoria Houston, our SEND Local Leader has over 8 years experience of working in Special Educational Needs settings. She has worked at Benton Dene School for three years as a class teacher, Computing Lead and a staff governor. Prior to this role, Victoria has worked in an autism specific school for four years and has experience working in several mainstream settings. She currently teaches in a KS1 class and has previously worked in Early Years and KS2.

Victoria is passionate in supporting pupils with SEND. In particular, teaching Autistic pupils and developing strategies to support those needs. She strongly believes that all pupils with SEND should have access to a curriculum that is challenging, motivating and engaging for all learners.

Victoria is proud to be working as part of NTLT as a Local Leader to support staff to ensure that they have the confidence and skills to support SEND pupils.
